Sara, do you mean that for the 10 years in which the person is receiving a grant under 115.42, the person has to maintain the rating you specified? Yes.

If the person does not achieve that rating in one year, does he or she get docked just that one year of the grant or does he or she miss out on all of the remaining grants?

Or does the condition only apply for the 9 grants described under 115.42 (2)? In other words, do you want to add this new condition to the requirements under (2) (a)?

Oh, and will this new requirement apply to persons who are already ~~receiving a grant~~ when this goes into effect, or will it apply only to those who first receive a grant in 2014-15 and thereafter? Only to those new to the program.

Hi Peter – if someone does not achieve the rating in one year, he simply gets docked that one year – for the purposes of 2(a), we would like to maintain lifetime eligibility of 9 years (so you could get all your grants consecutively, you could miss your rating once, skip a year and your last grant is in the 10<sup>th</sup> year). Does that take care of your questions on this one?

Hi Peter - on page 2 of this draft, you have an if-master-educator, but not-NBPTS-certified setup. However, I don't think we can completely exclude those certified by NBPTS, because that certification is one way to get to be a master educator. Can we simply delete the language on line 2 that starts with "and" and ends on line 3 with "Standards"? Ditto for the same language in Section 2.

From DPI's website, describing PI 34 provisions:

### Master Educator License

This optional 10-year license may be issued to educators who successfully completed a National Board Certification by National Board of Professional Teaching Standards (NBPTS) or a Wisconsin Master Educator Assessment Process (WMEAP).
